NEW MINING COURSES ANNOUNCED:  
MORE WORKERS WANTED

MINING SCHOOLS OPEN REGISTRATION -- Zabaykal'skiy Rabochiy, No 128, 2 Jul 49

The Blagoveshchensk Mining Technical School is registering students for the 1949 - 1950 school year in the following fields: geology and prospecting of ore and alluvial deposits of gold, platinum, and nonferrous metals; prospecting by drilling; surveying; and working of ore and alluvial deposits of gold, platinum, and nonferrous metals. The training period in all fields is 4 years. The school accepts into its first course USSR citizens from 14 to 30 years of age, who have had the equivalent of 7, 8, or 9 grades of secondary schooling.

Applicants must take entrance examinations in the Russian language (written and oral), mathematics (written and oral), and USSR Constitution (oral). Persons who completed the 7th, 8th or 9th grades in 1948 - 1949 with grades of excellent will be exempt from examinations. Those who completed 10 grades will be admitted to the third course in the geological-prospecting field for a training period of 2 years and 7 months. Entrance examinations will be held between 1 and 20 August, and classes start on 1 September. The tuition fee is 150 rubles per year. Those registered in the first course will receive a stipend of 285 rubles, and those in the third course, 360 rubles per month. Apply: 7 Politeknicheskaya ulitsa, Blagoveshchensk, Amur Oblast.

Zabaykal'skiy Rabochiy, No 128, 2 Jul 49

The Irkutsk Mining and Metallurgical Institute is recruiting students for the 1949 - 1950 school year. The institute trains mining engineers in the geology and prospecting of mineral deposits, in the working of mineral deposits (including blanket coal deposits, ore deposits, and alluvial deposits), in mine electromechanics, and in the concentrating of minerals; metallurgical engineers in the metallurgy of nonferrous metals, including heavy nonferrous, precious, and rare metals; and mechanical engineers in the technology of machine building.

The institute accepts USSR citizens from 17 to 35 years of age who have completed secondary school and pass entrance examinations. Dormitory quarters are provided for students in case of need. All registered students will be given stipends of from 290 to 395 rubles in the first course and up to 480 rubles in the senior courses. Outstanding students will receive a 25-percent increase over the regular stipend. Apply: Education Section, 3 ulitsa Krasnoy zvezdy, Irkutsk.

Zabaykal'skiy Rabochiy, No 116, 15 Jun 49

The Chita Mining Technical School of the Ministry of Coal Industry USSR is registering students for the first, second, and third courses in the fields of the working of coal deposits and mine electromechanics. The school accepts USSR citizens, preferably men, from 14 to 30 years of age. The school offers a 4-year training program. Those entering in the first course must take entrance examinations in the USSR Constitution, the Russian language, and mathematics. Those who completed 7-year school in 1948 - 1949 with grades of 5 in all main subjects will be exempt from examinations. Persons who have completed ten classes of secondary school will be admitted, without examination, to the third course for a training period of 2½ years.

Applications and necessary documents should be submitted to the director no later than 31 July. Students will be provided with uniforms, dormitory quarters, and a stipend of from 285 to 470 rubles per month, depending on need, course of training, and progress. After one year of work in industry, graduates will receive personal titles and the right to accept medals, orders, and all privileges established by the Government for coal-industry workers. Address of the school: 37 Lermontovskaya ulitsa, Chita 2-ya.

Zabaykal'skiy Rabochiy, No 116, 15 Jun 49

The Aldan Mining Technical School, Yakut ASSR, is registering students for the 1949 - 1950 school year in the departments of mine exploitation, geological prospecting, and mine electromechanics, for a training period of 3 years, 10 months. The school accepts USSR citizens from 14 to 30 years of age who have completed no less than seven classes. Entrance examinations will be given in mathematics, the Russian language, and the USSR Constitution. Students with excellent grades will be accepted without examinations. Applicants who have completed the tenth class will be admitted into the second course. Students are provided with a stipend of from 270 to 485 rubles, depending on the course and the progress of the student. Tuition is free for all students, and out-of-town students are provided with dormitory quarters and furnishings. Applications will be accepted until 15 August.

Those who live in regions of East Siberia and the western regions must first obtain a permit for travel on the railroad from local militia administrations in order to visit the school to take examinations, to obtain information on registration, etc. These persons must travel by railroad to Bol'shoy Never Station, and from there by car to Aldan. Entrance examinations will be held from 15 - 25 August, registration will be held from 25 - 30 August, and classes begin on 1 September. Address: 29 ulitsa Oktyabr'skaya, Aldan, Yakut ASSR.
